Southampton Pair | PALMER SEEKS FAIR

Attorney-General Calls Conference of Producers, Dealers and Consumers.

Attorney-General Mitchell Palmer came to New York yesterday and held in the Whitehall Club the first of a representing producers, dealers and large consumers of bituminous coal and the public, which he has asked to advise him as to what is a "maximum margin

of reasonable profit" on a ton of bituminous coal. Once that figure is agreed upon, opresentatives are to be instructed to cute offenders under the Lever law, according to a statement issued by the committee after the conference. statement calls attention to the fact that sellers of coal for export are as will not be difficult to find, seers of liable to prosecution under this act as varied abilities will demonstrate mystic are those who offer it on the domestic RIGHT OF. WAY GIVEN market.

The result of such action, according to Wholesale Coal Trade Association of New York, who is also executive secre hibitions of mental telepathy. Mrs. will be to reduce the present appoint Charles E. Mitchell has arranged this price of bituminous coal to such a point that producers will devote a larger percontage of their output to filling their contracts instead of diverting it to the rence Breese will give a large dinner at present attractive "spot" market. Public utilities and industries generally will then get the quantities of which they now are so short,

Conferring with the Attorney-General were the following: Vasice C. McCor-mick and William Potter, representing the public; J. W. Leib of the New York Edison Company, representing consum-ers; G. N. Snider of the New York Central, representing railroads; Willis G. s, Charles A. Owen, Harlow Voorhees and Charles L. Couch, representing wholesale dealers. Representatives of Maryland, Pennsylvania and West Vir-the producers will be named later by the sinia mine delds until New England National Coal Association.

The dealers' representatives were no selected by Mr. Palmer, but were recommended to him by the association, Mr. Allen said. He admitted that even one of the representatives of the public, of the representatives of the public, Vance C. McCormick, has financial interests in coal companies.

The statement issued by the

"Attorney-General Palmer has asked this committee to consider the feasi-bility of naming a fair margin of profit for producers and dealers in bituminous partment to fix prices, but merely to ascertain a maximum margin of reason able profit beyond which prosecution under the Lever act will be commenced

"It is expected that the committe will advise the Attorney-General on this matter within a few days, and it is the purpose of Attorney-General Palmer upon receipt of this advice to instruct United States District Attorneys and his special representatives that a produce selling coal at or under that figure will be presumed to be spirit and the letter of the Lever law, and that as to those who exceed margins, whether producers or dealers, such action will call for an investiga tion on the part of the Department.

Palmer, and concurred in by the committee, representing as it does producers, wholesalers and consumers, that this action on the part of the Department upon those who are now taking excess result in a decline in the price of bitu-The Lever law against profiteering

applies to export as well as domestic coal, and the Attorney-General is determined that profiteering shall cease. In General again Monday morning, That afternoon Senator Calder will resume his inquiry into the coal shortage.

Widow of W. J. White, Chew-From First Husband.

Special to THE SUN AND NE ? YORK HERALD CHICAGO, July 27 .- A strange story of riches and love, with two men and a fascinating woman the leading charac ters, came to light to-day through the Navy supply officers indicated the be-lief that several oil companies on the Pacific coast, which have represented their output as being sufficient only to

Leading incidents are two marriages two divorces and a final provision in the will of the first husband (Moloney) of an annual income for the support of the last wife, as long as she shall live. The second husband of the woman was William J. White, former chewing gum millionaire, Mayor of Cleveland and Representative in Congress. Mrs. Moloney, now known as Helen P Sheldon, lives with her sister, Mrs

Sheldon, lives with her sister, Mrs. Madelaine E. Barker, at the Piasa Hotel, New York. Sheldon, it was said, was her maiden name.

Moloney's will provides that \$10,000 shall be paid each year to Mrs. Barker for the support of herself and her sister. Chicago friends of Moloney say this was his way of leaving an annuity to his wife without naming her directive. Priority Ordered for Product to his wife without naming her directly as a beneficiary. The section of the will devoted to this bequest incorporates a request that Mrs. Barker protect her sister from want. If Mrs. Barker should die before Helen P. Sheldon, the will provides that the \$10,000 annuity go to
